Potable water to villages

†388. SHRI PYARELAL KHANDELWAL: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) whether it is a fact that Government have set a target to provide potable water in all the villages under the "Bharat Nirman Yojana";

(b) if so, the State-wise details thereof;

(c) the number of villages across the country wherein potable water is available and the region/State-wise details thereof;

(d) whether any scheme has been formulated in this regard in the conference of Chief Minister of States; and

(e) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI A. NARENDRA): (a) & (b) Bharat Nirman is a time-bound business plan for action in rural infrastructure for the next four years. Under the drinking water component of Bharat Nirman, it is proposed to cover 55.067 uncovered habitations and 2,16,968 quality affected habitations. A State-wise statement indicating number of habitations remaining uncovered as on 1.4.2005 and the number of quality affected habitations are enclosed as I and II (*See* below). Habitations covered with drinking water facilities may slip back from Fully Covered (FC) to Partially Covered (PC) or Not Covered (NC) and from PC to NC due to reasons like sources going dry or lowering of ground water table, sources becoming quality affected, systems outliving their lives, systems working below rated capacity due to poor operation and maintenance, increase in population resulting in lower per capita availability and emergence of new habitations. These slipped back habitations are also proposed to be covered under Bharat Nirman.

(c) The details regarding State-wise number of habitations across the country wherein potable water is available is enclosed as Statement -III.

(d) No, Sir.

(e) Does not arise.

---

†Original notice of the question was received in Hindi.

Statement-I

Status of Remaining Uncovered Habitations of Cap 1999 Under Rural Water Supply Programme As On 1.4.2005

NREG scheme in Bihar

†389. SHRI MANGANI LAL MANDAL: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) whether it is a fact that National Rural Employment Guarantee Scheme is going to be implemented from 2.2.2006 under which only 23 districts of Bihar are being covered against 38 districts;

(b) whether it is a fact that the Government of Bihar has decided to implement this scheme in the remaining 15 districts under the State Scheme; and

(c) if so, the details thereof?

†Original notice of the question was received in Hindi.
